Living History

All Saints Church.

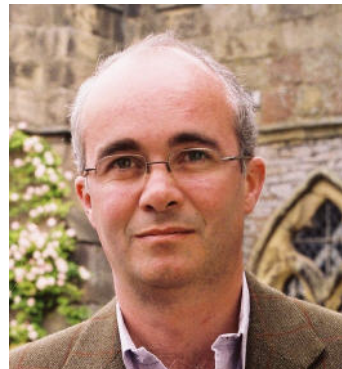

The Parish Church of All Saints Bakewell was founded in 920. The present church was built in the 12th and 13th centuries with extensive rebuilding in the 19th century.

- The much-visited building is used for regular worship, weddings, funerals, baptisms and other celebrations and remembrances.
- In addition the building is used for a wide variety of community activities.
- The cost of maintaining the building over the centuries has been met by patronage and central church funds but now depends in the main on fund-raising by the congregation, on donations and on limited grants.
- In September 2006, an acclaimed flower festival raised £20,000 for essential roof repairs.
- **The Friends of Bakewell Parish Church** has been formed to ensure that the church remains at the heart of Bakewell for centuries to come.
